

Looking for a social media manager?

"A data-driven digital marketer helping brands grow with performance ads and content that converts. I specialize in Meta Ads, Social Media Management, and Growth Campaigns."

[Learn More](#)

About Me

I'm Sumia Rehman, a self-taught digital marketer with a background in science and a passion for strategic growth. After completing my MSc in Physics, I discovered digital marketing and dove deep into learning performance marketing, Meta ads, and content strategy through hands-on client work.
